# COLOR RENDERINGS AND ELEVATIONS

**Renderings:** We use professional software to produce high-quality color renderings. You'll truly be able to see and understand your entire bathroom.

**Elevations:** These are vertical views of your bathroom walls. It's the easiest and most detailed way to know the specifics for each cabinet along the wall. This allows you to review measurements, appliance locations and cabinet distribution.

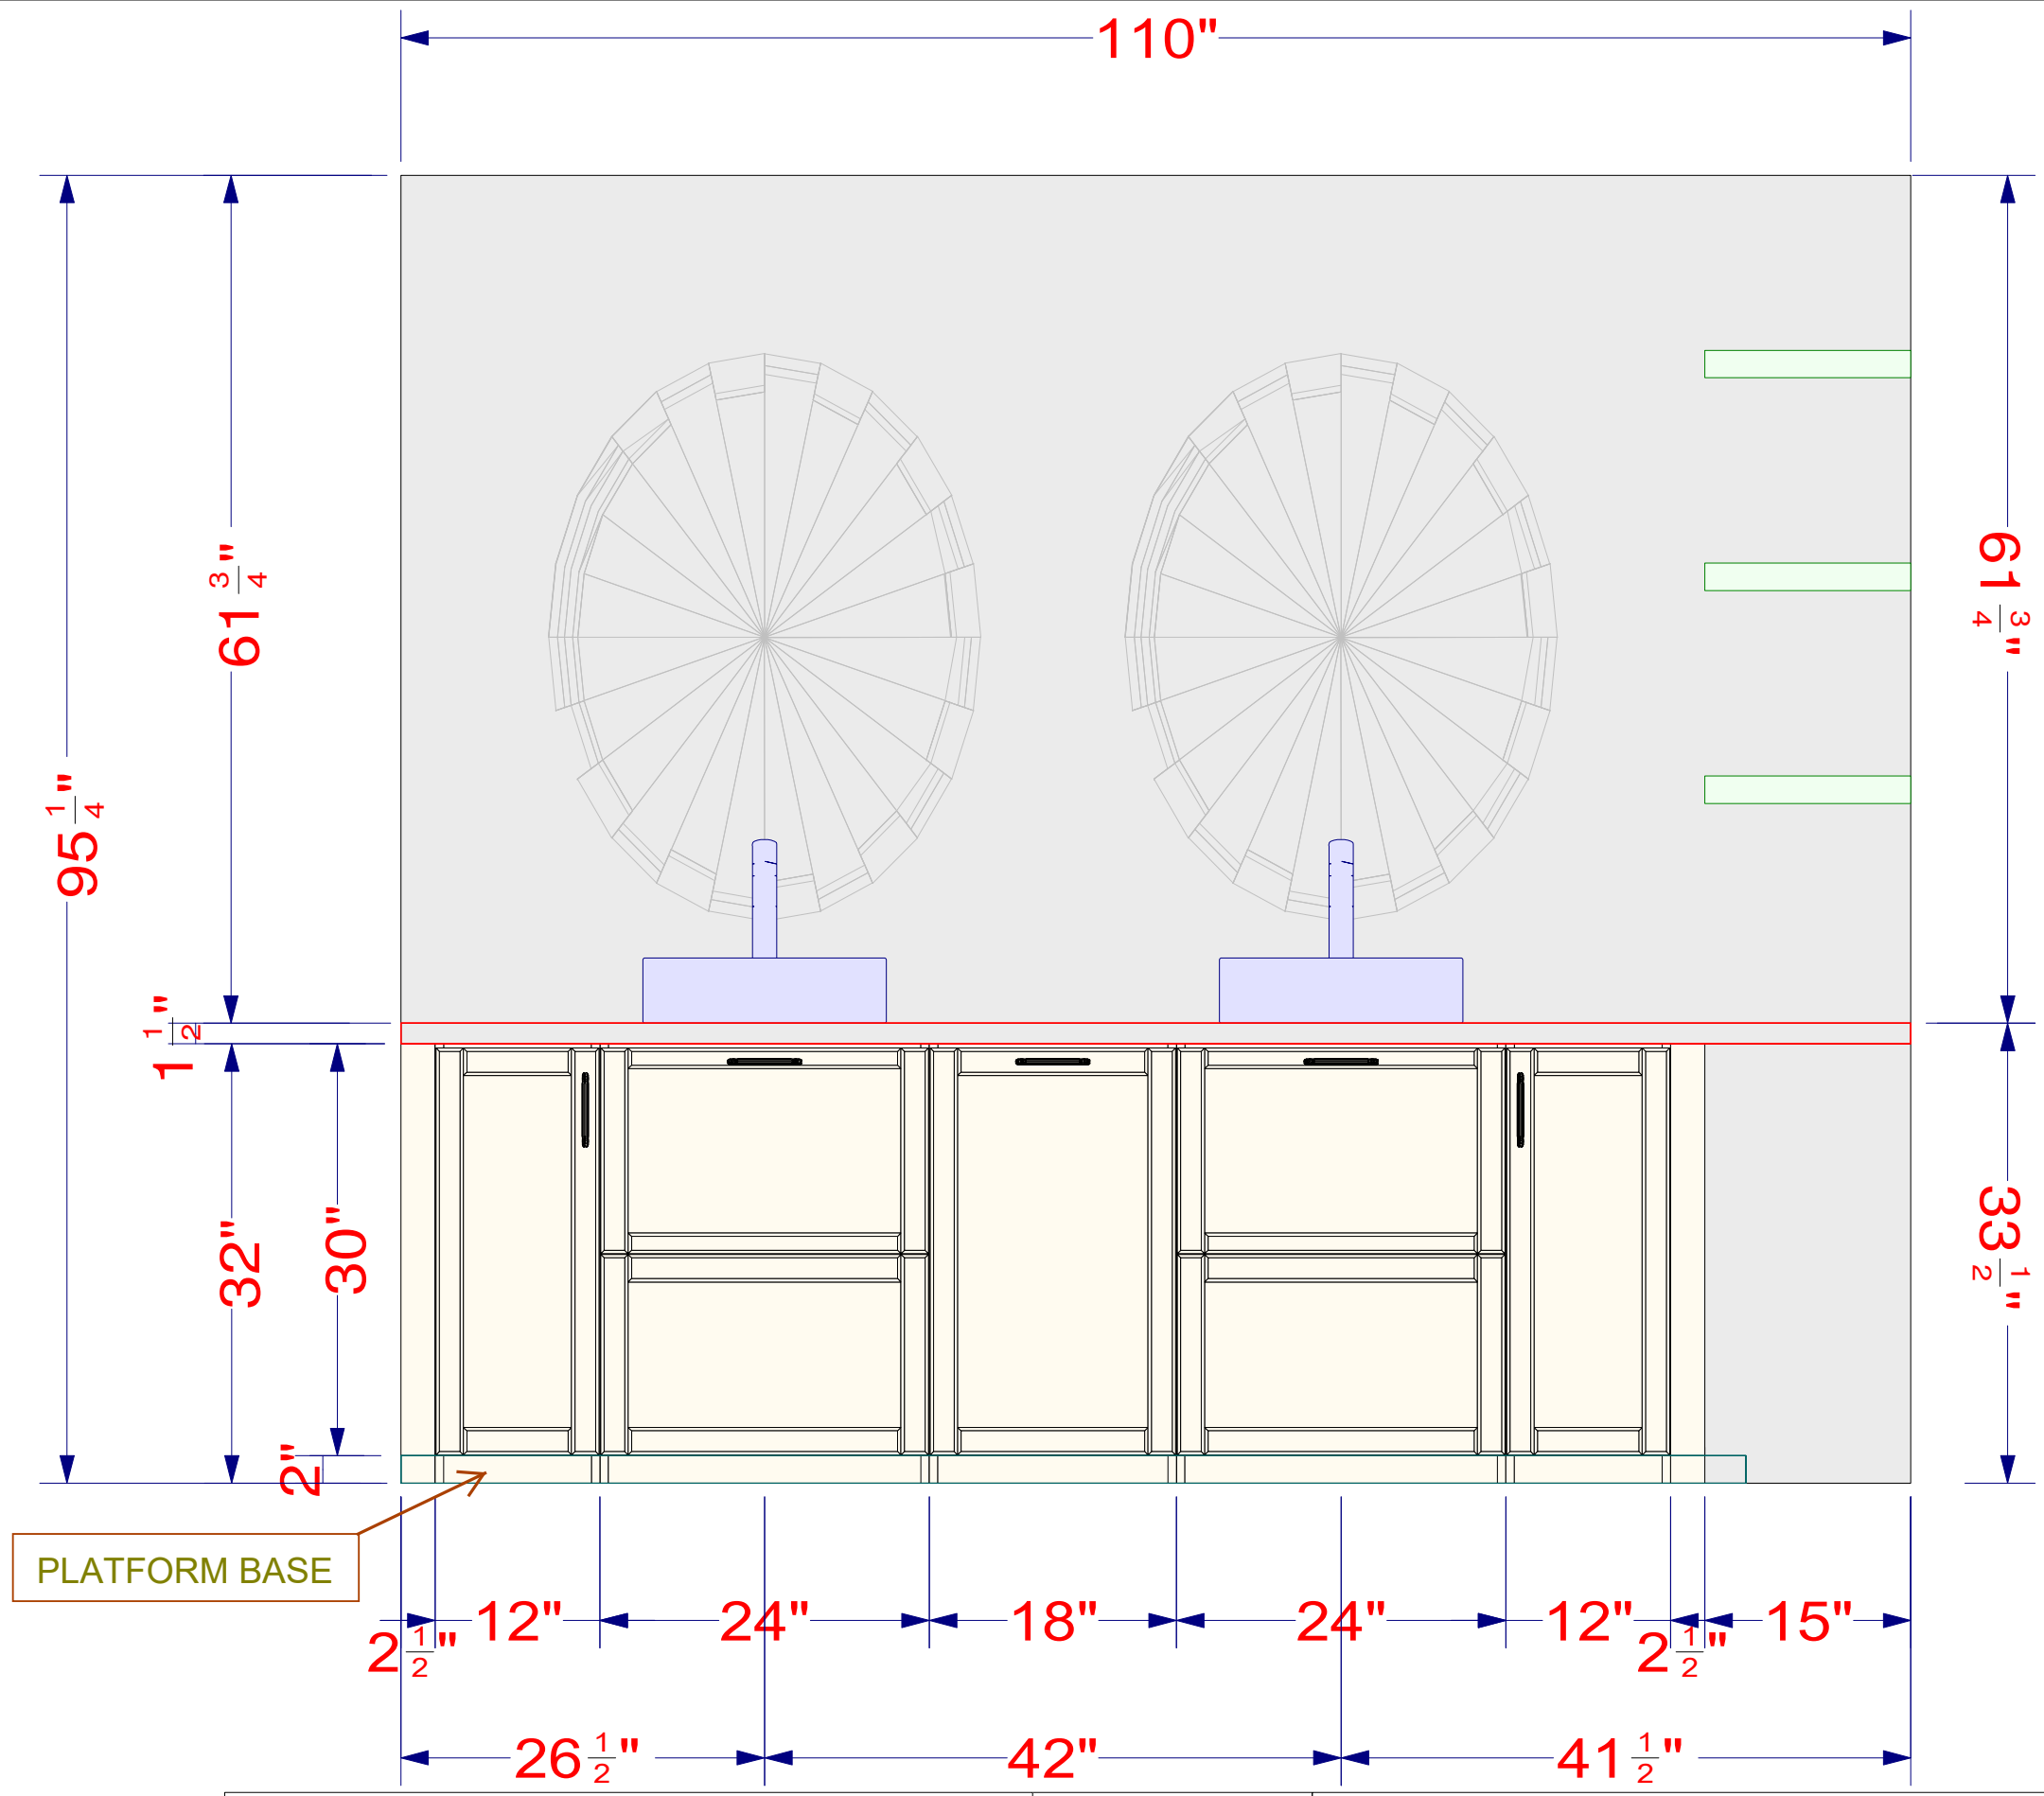

Note: This drawing is an artistic interpretation of the general appearance of the design. It is not meant to be an exact rendition.
