# Your *semihandmade* Media Center Design

IKEA MEDIA CENTER AREA DESIGN WITH SEMIHANDMADE FRONTS

**IKD**

## Hi! Lisa I'm Florence

As IKD's Design Coordinator, I'll be coordinating all aspects of your design with each of our individual designers.

And be your primary contact throughout our design process.

Designed by

**Albert**

I'll be designing your Media center! It's my responsibility to review your submittal information, measurements and Design Survey to create your IKEA Media center design.

## We'll Prepare Your Semihandmade (SHM) Order

Our standard design process integrates SHM and IKEA – simplifying ordering. Here's how:

- We created your SHM shopping cart to calculate materials and prices.
- You'll receive an email within two days outlining SHM's complete order and total price.
- Once your design is completed we'll send your populated IKEA Home Planner and SHM shopping cart – both ready for your purchase.

**We designed your IKEA Media center With Semihandmade Doors:**

## SSS Quarterline White

# Elevations & Rendering

We use media center industry professional software to produce high-quality color **renderings**. You'll truly be able to see and understand your entire media center .

The **Elevations** are vertical views of your media center walls. It's the easiest and most detailed way to know the specifics for each cabinet along the wall. This allows you to review measurements and cabinet distribution.

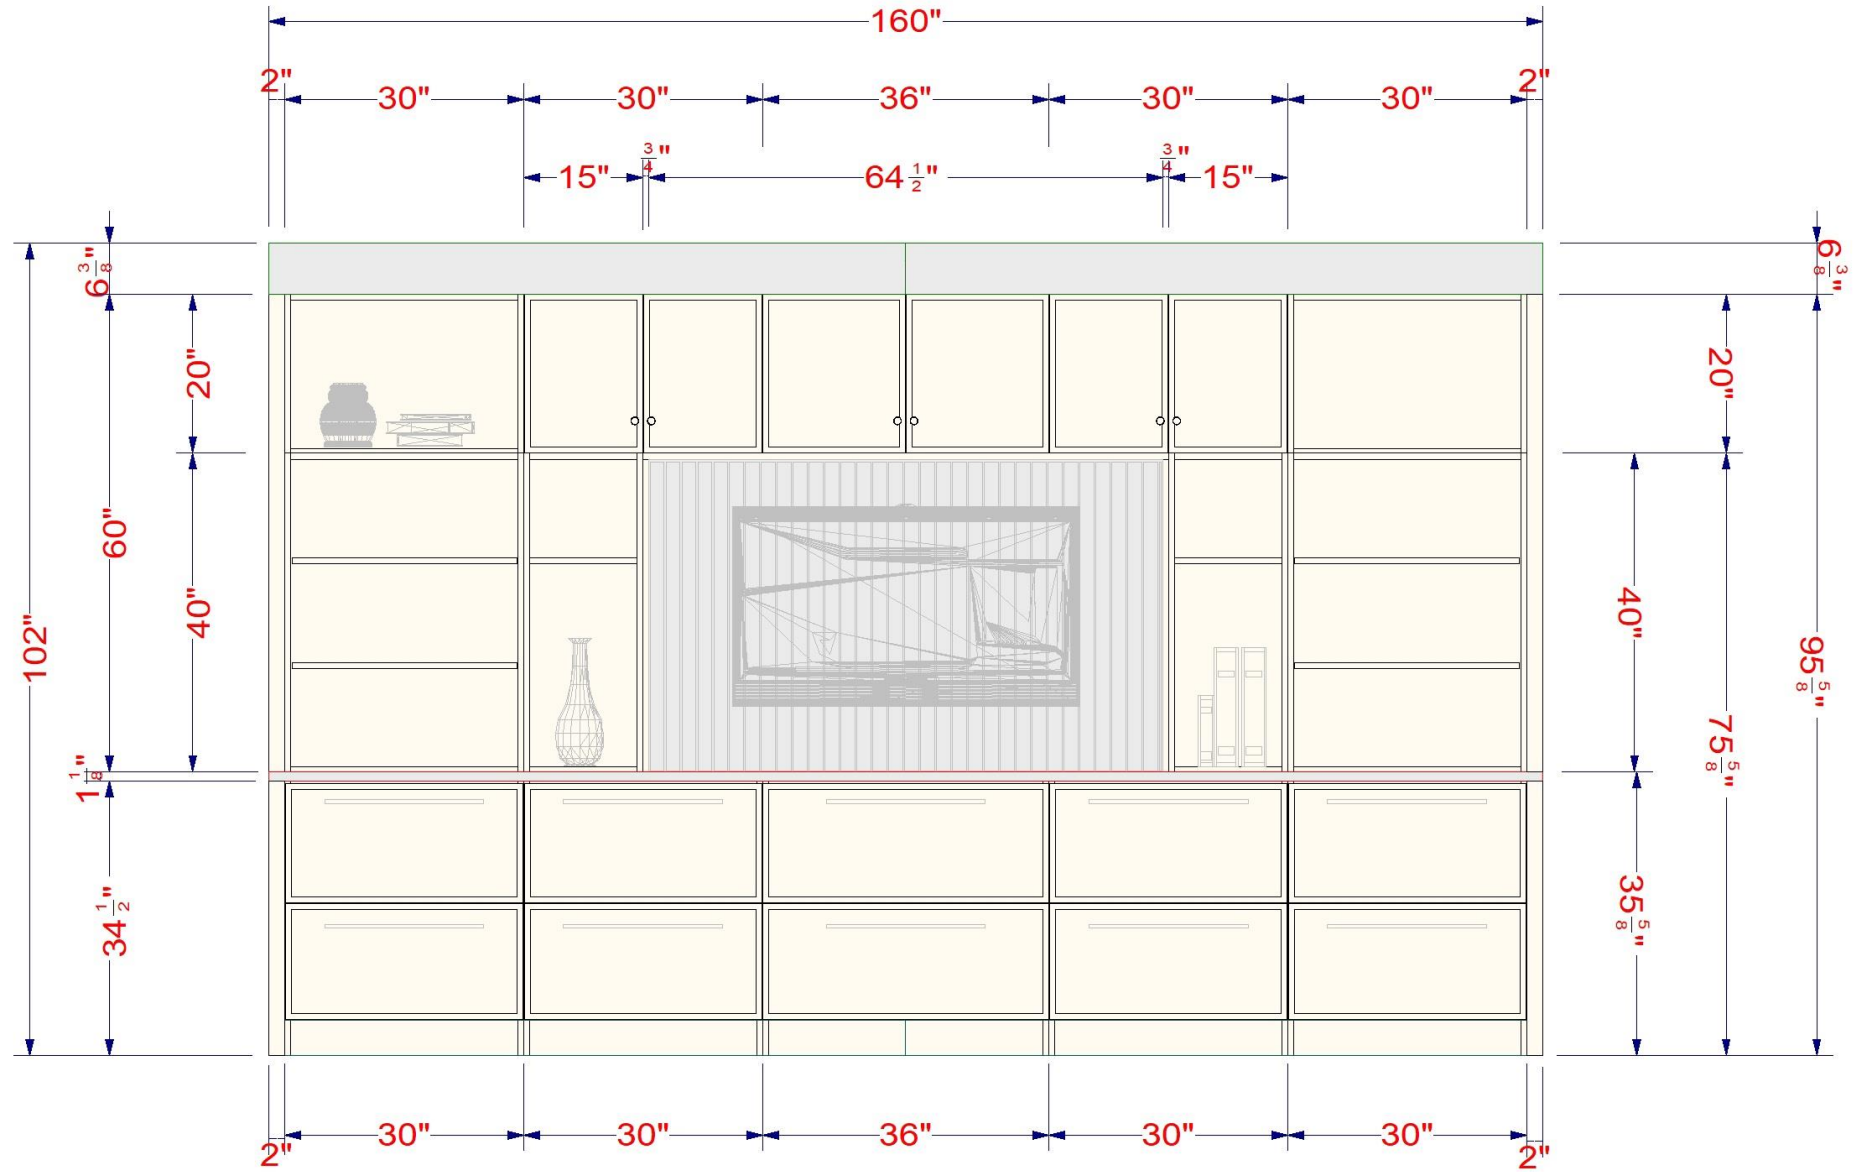

All dimensions size designations given are subject to verification on job site and adjustment to fit job conditions.
