INSPIREDKITCHENDESIGN

Your IKEA Pantry Design

IKD

Hi! I'm Florence

As IKD's Design Coordinator, I'll be coordinating all aspects of your design with each of our individual designers.

And be your primary contact throughout our design process.

Draft by

Meyer

I'll be designing your kitchen! It's my responsibility to review your submittal information, measurements and Design Survey to create your IKEA kitchen design.

This draft design is a starting point, well revise it together.

IKD

01

Elevations & Rendering

*INSPIRED*KITCHEN*DESIGN*

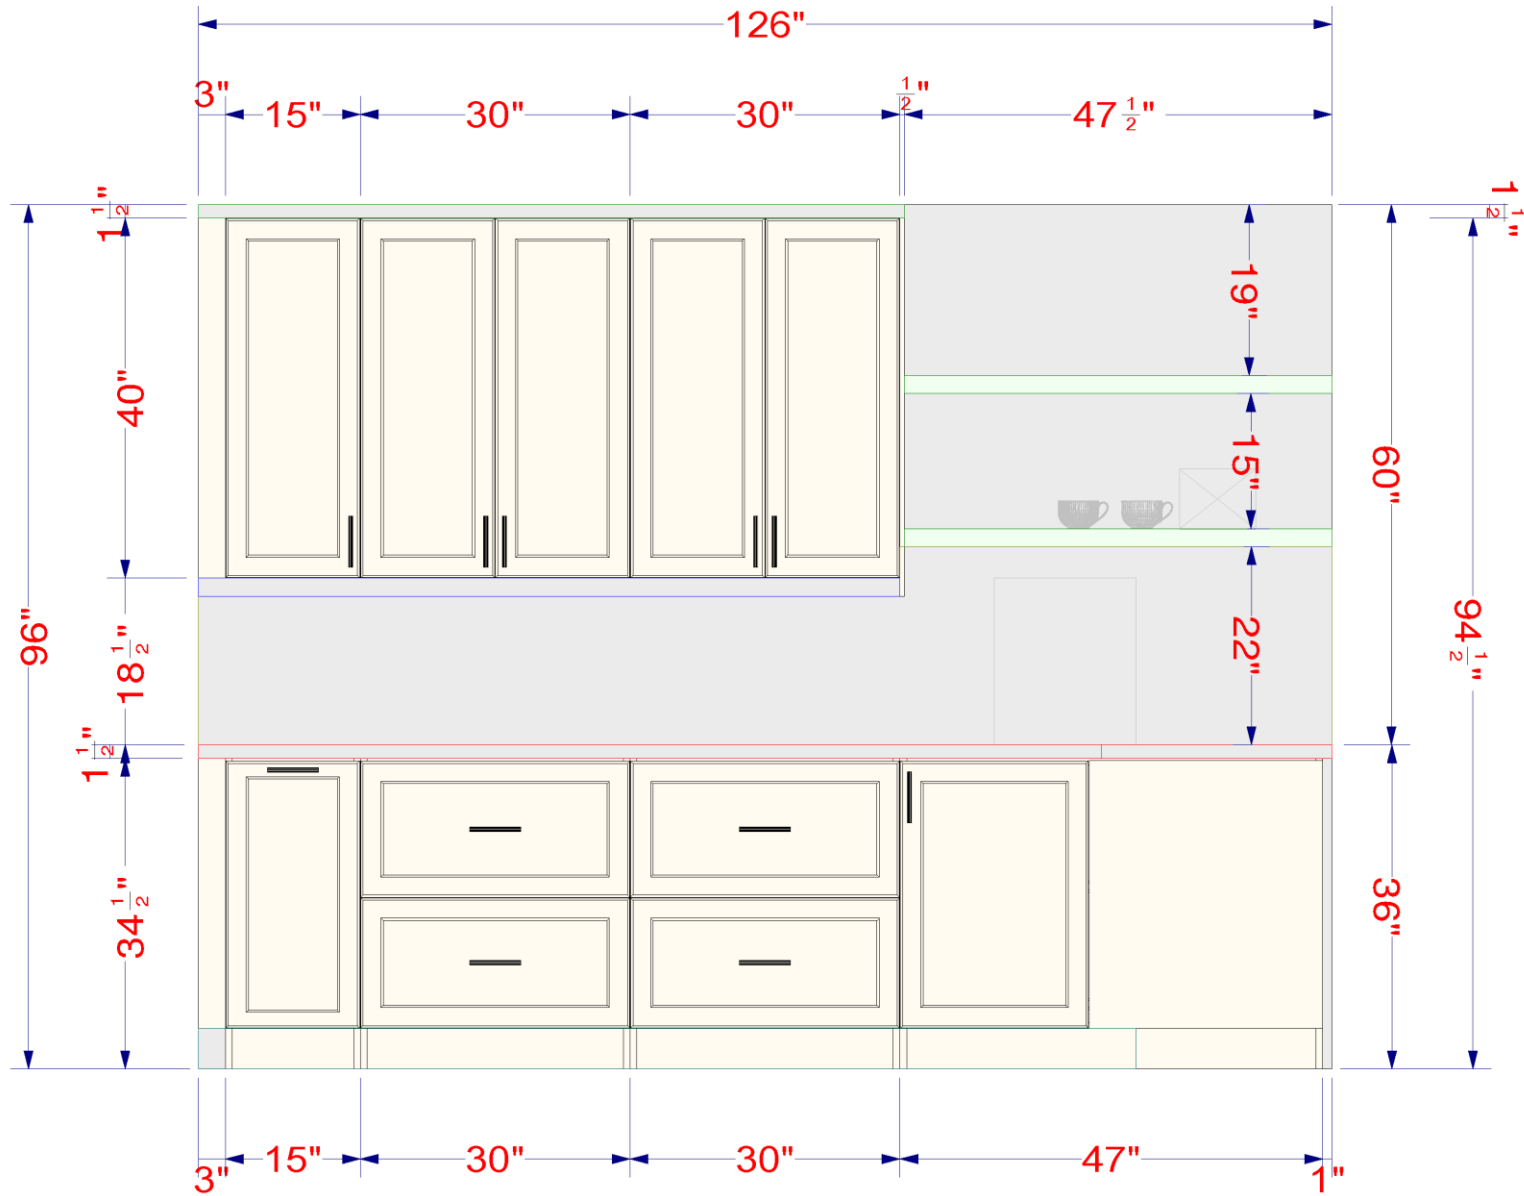

We use pantry industry professional software to produce high-quality color **renderings**. You'll truly be able to see and understand your entire pantry.

The **Elevations** are vertical views of your pantry walls. It's the easiest and most detailed way to know the specifics for each cabinet along the wall. This allows you to review measurements, appliance locations and cabinet distribution.

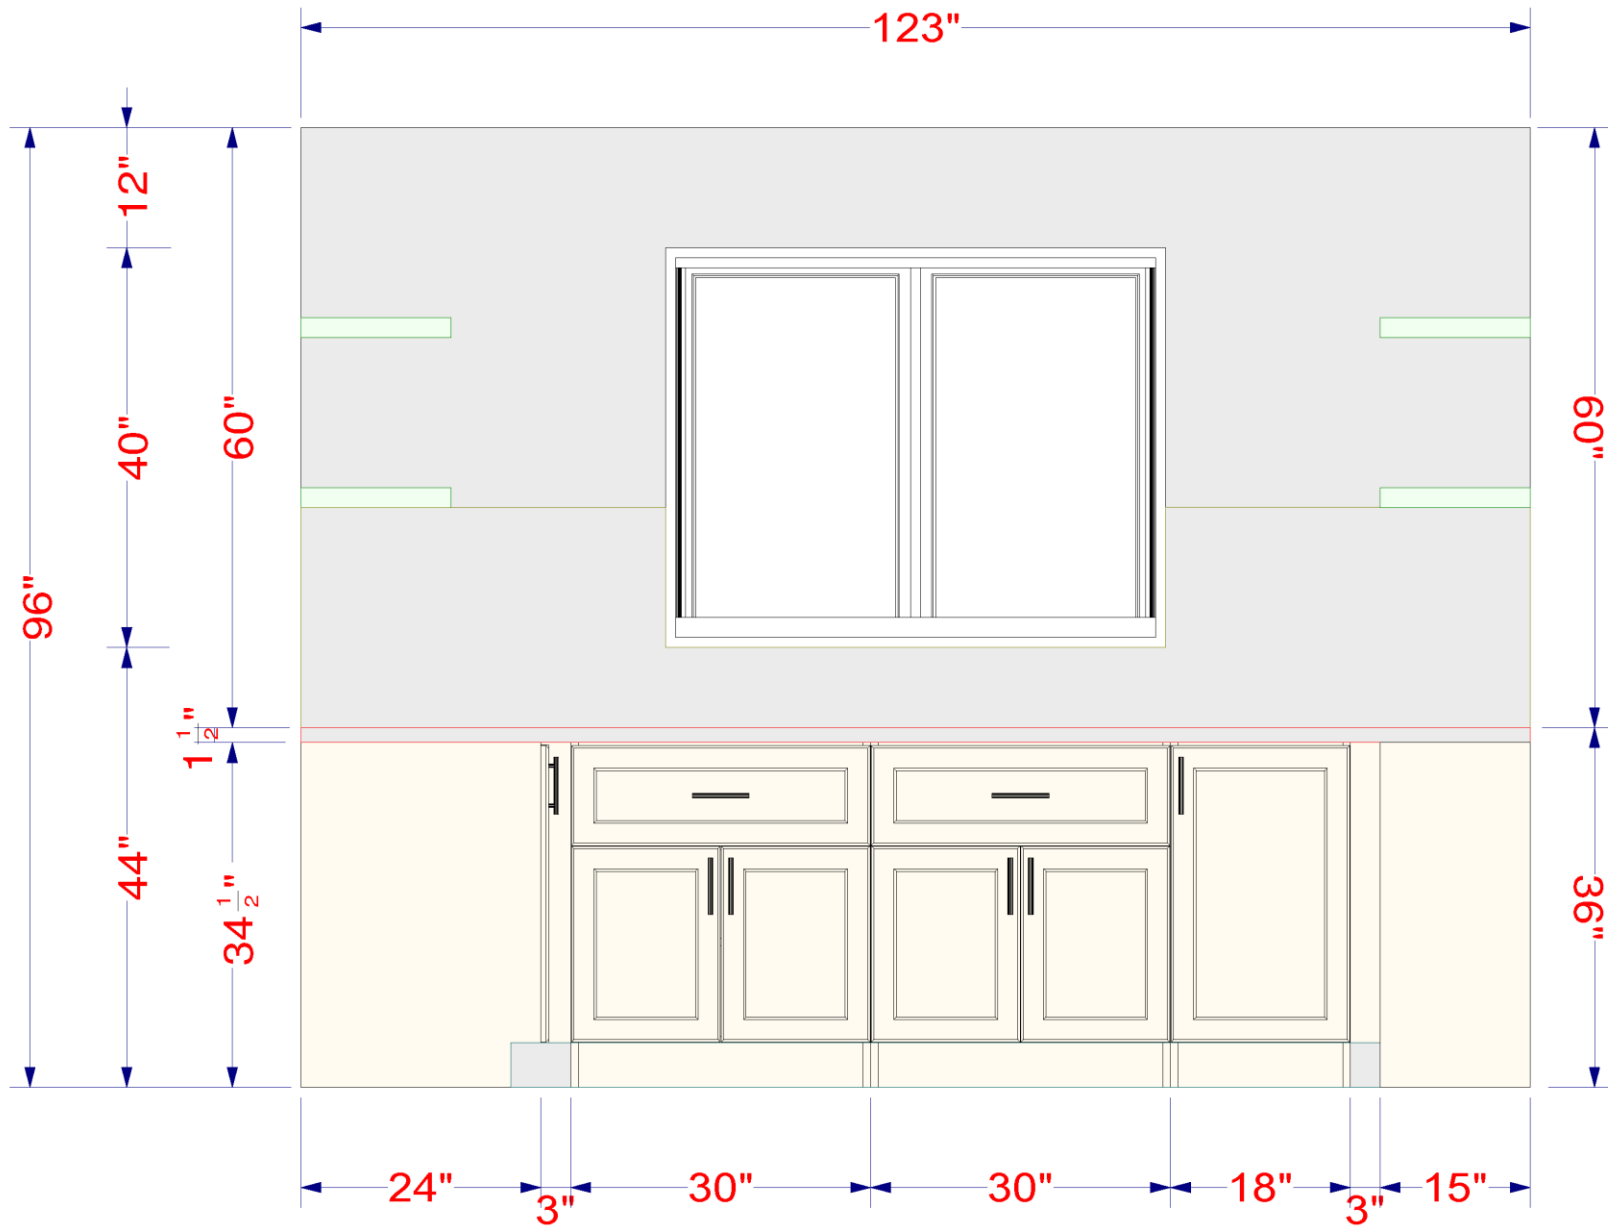

All dimensions size designations given are subject to verification on job site and adjustment to fit job conditions.

02

Floor Plans

- **Floor Plan**
- **Panel**
- **Countertop**
- **Numbered Floor Plan**

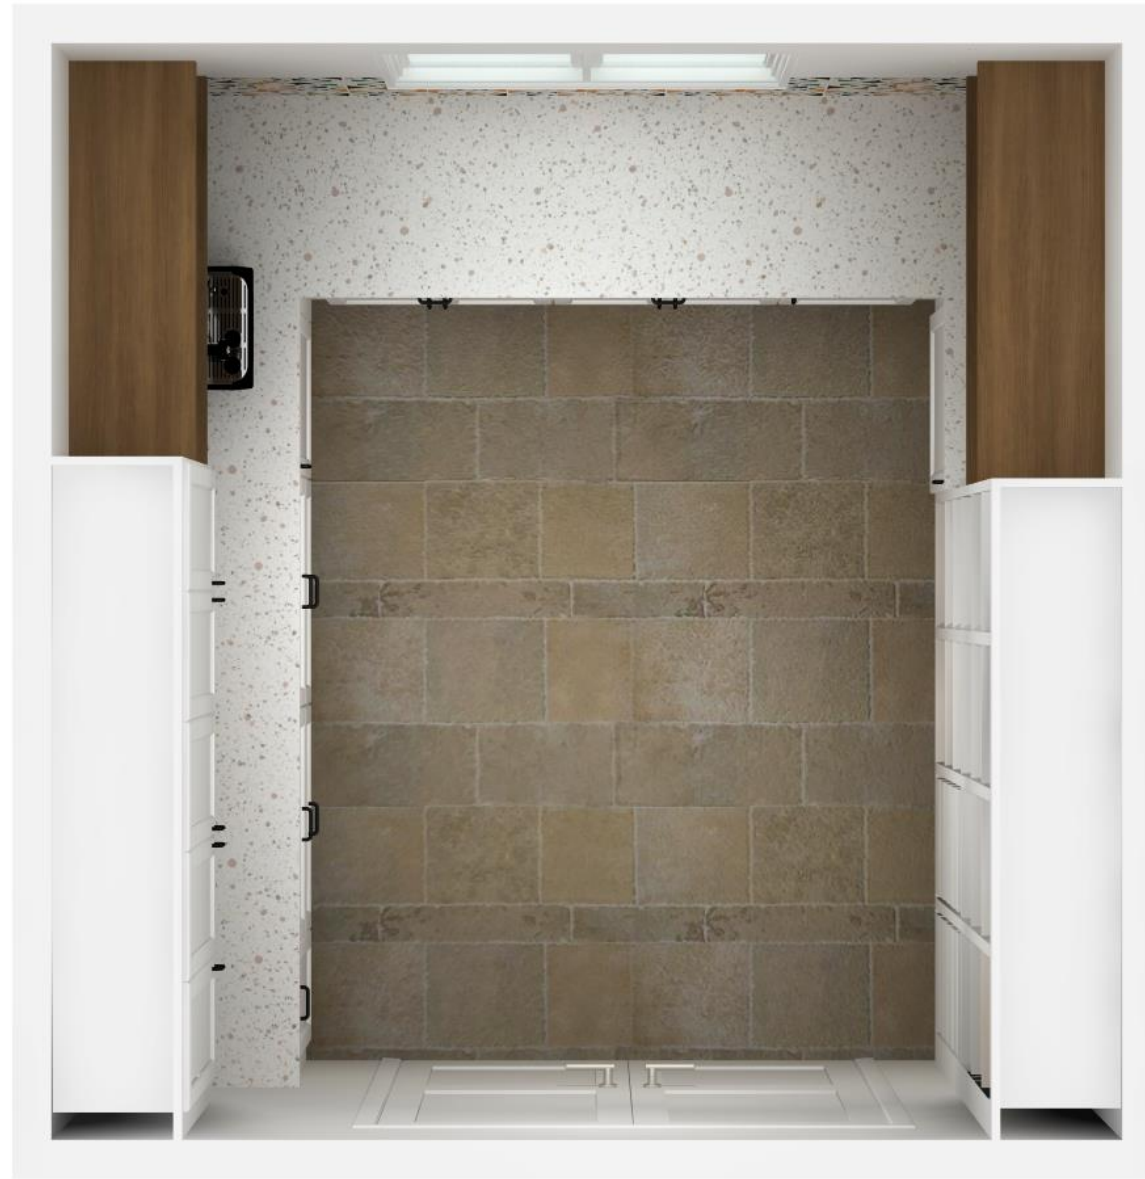

*INSPIRED*KITCHEN*DESIGN*

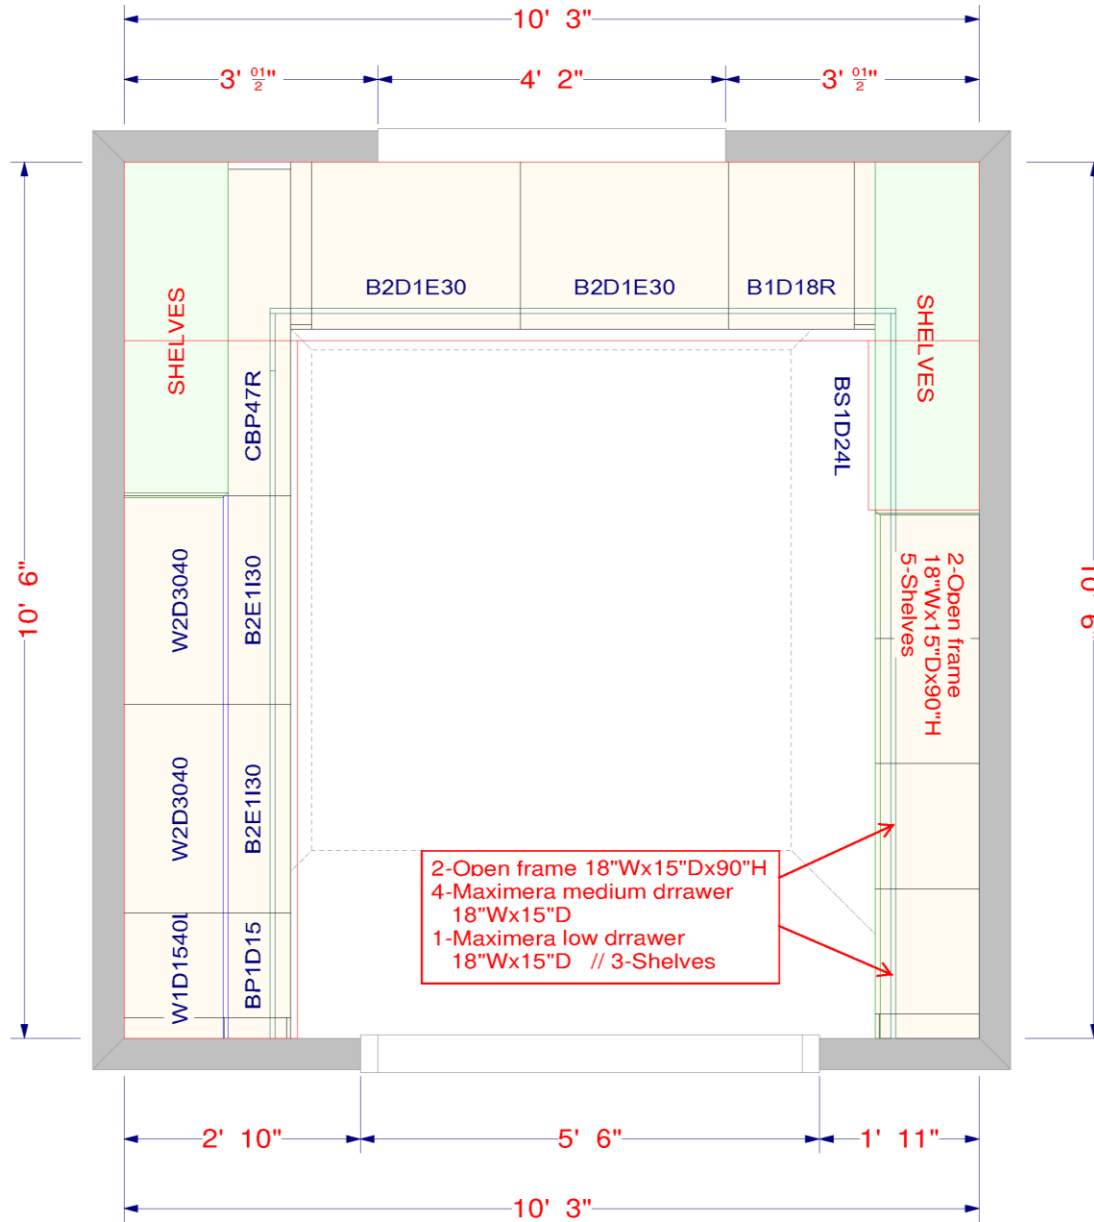

These are schematic drawings of your pantry with measurements as seen from above. You'll see the overall space layout. All walls, doors, windows and walkways are included.

All dimensions size designations given are subject to verification on job site and adjustment to fit job conditions.
