# Elevation & Renderings

\*INSPIRED\*KITCHEN\*DESIGN\*

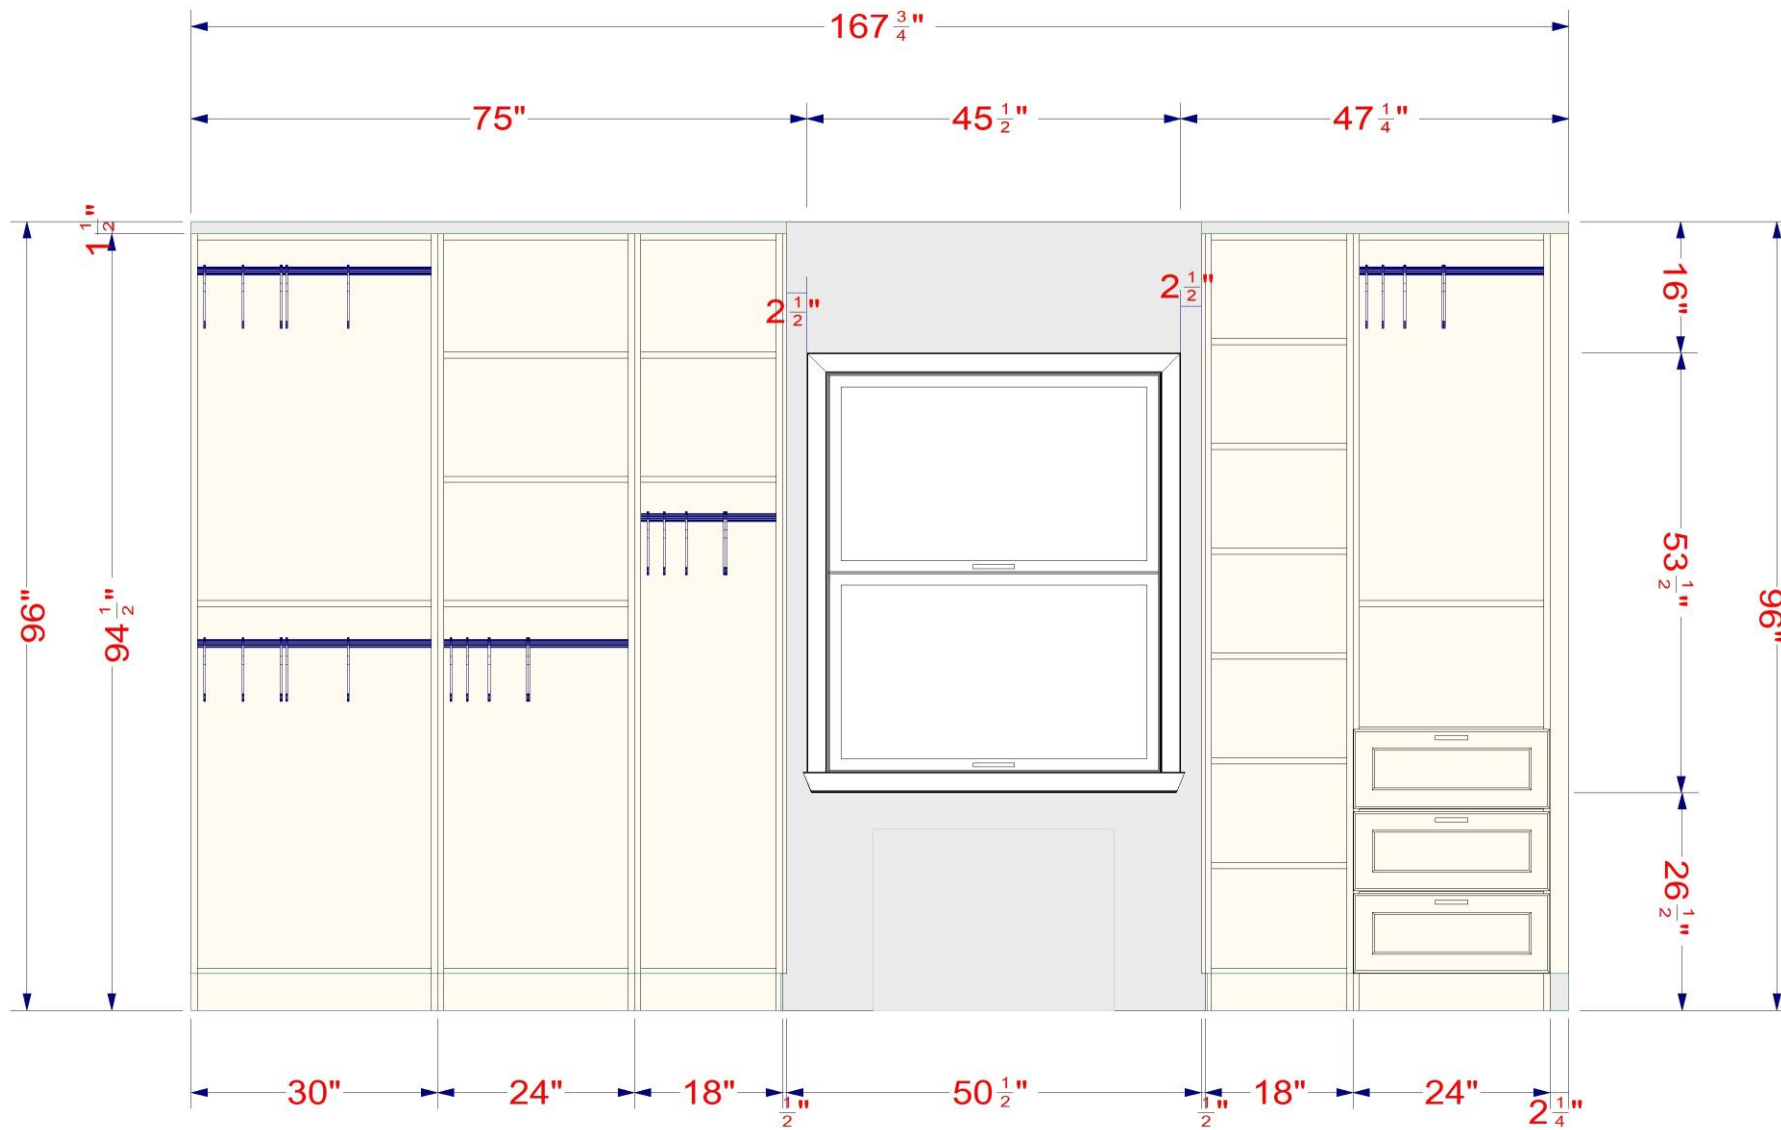

We use kitchen industry professional software to produce high-quality color **renderings**. You'll truly be able to see and understand your entire kitchen.

The **Elevations** are vertical views of your kitchen walls. It's the easiest and most detailed way to know the specifics for each cabinet along the wall. This allows you to review measurements, appliance locations and cabinet distribution

All dimensions size designations given are subject to verification on job site and adjustment to fit job conditions.
